

We are delighted to confirm that the NE1 Newcastle Motor Show will return for its fourth year on Saturday 4th and Sunday 5th August 2018, and this year we are intending to deliver a larger show once again!

We will be spreading further into the heart of the city and offering more display space, more entertainment, more dealers and more private exhibitors, as well as some all-new elements.

We are pleased to invite you to join us for this year's event and register your interest in displaying your vehicle on Grey Street and Shakespeare Street, which you can do via the website: www.newcastlemotorshow.com. The deadline for registering your vehicle will be extended due to the show moving from July to August, and will be the 15th July 2018.

From feedback we received after the event we are thrilled with how much everyone seemed to enjoy the show, and thanks to everyone who took the time to let us know their thoughts. We will be incorporating your feedback into this year's show, including some measures to deal with over-crowding down the centre of Grey Street.

We will also be retaining the barriers as usual to protect the cars from being overrun or damaged, and also retaining the private area for exhibitors to relax and get something to eat, information on which will be included in a pack you will receive on arrival along with discount vouchers for use throughout the city over the weekend.

If you have any other ideas or thoughts after last year's show, please do let us know.

If you have any further comments or questions, please do not hesitate to contact me on 0191 235 7096, or email ben.whitfield@newcastlene1ltd.com.

Kind regards,

Ben Whitfield,

Marketing and Events Manager, Newcastle NE1 Ltd
